Sealed With a Kiss

Introduced in 1907, Hershey's Kisses are now one of the most popular candies purchased for Valentine's Day. It's estimated that more than 750 million of the little chocolate drops are produced in February.

Remember When: 'The Dating Game'

Going on TV to find love is not a new concept. The hit show "The Dating Game" introduced the idea when it first premiered in 1965. A bachelorette or bachelor would question three potential dates who were hidden from view, which meant they had to outshine and out-flirt each other with their answers. Tom Selleck, Farrah Fawcett and many other future stars appeared as contestants. Each show ended with host Jim Lange and the winning couples blowing a kiss to the audience.

Movie Matinee

We will be taking a trip to the movies on February 9th. Tori will announce the movie & the time at dinner the week before and will put a notice in your mailboxes. Must sign-up in advance!
