#### Themed Days:

- Candy Cane Day: wear red & white to match the classic Christmas Candy! Join us for a game & taste testing at 2 pm.
- Grinch Day: Dress up as your favorite Grinch movie character! Snacks & watching the movie at 2 pm!
- Christmas Pajama Day: wear your favorite Christmas Pajamas! Our 2nd Annual Christmas Breakfast Social at 2 pm
- Ugly Christmas Sweater Day: wear your favorite most over-the-top Christmas Sweater! Decorate your own Christmas sweater artwork for extra funny money!

### Handy Mittens

Mittens will warm your hands better than gloves, since keeping most of your fingers together generates more heat. Consider a pair of convertible mittens—fingerless gloves that have an attached mitten flap, which you can unfold when you need to pick up an object or press a button.

### Memorable Melody: 'Let It Snow'

Would you believe that this classic carol about a frightful blizzard was written during a summer heat wave? Well, believe it! That's exactly how "Let It Snow" came to be in July 1945, when musicians Sammy Cahn and Jule Styne were motivated by record high temperatures to write a song that would cool them down. The original version was recorded by big band singer Vaughn Monroe, who took the tune to No. 1. It's since been covered by dozens of artists, with Dean Martin's smooth rendition among the most loved.

We hope you have an amazing holiday season with your loved ones!

Love,  
 Your Hickory Valley Family
